Fort Meade Regional Minority and Small Business Government Contracting IT Forum

Presented by

The Fort Meade Alliance
and the
Governor's Office of Minority Affairs

Thursday, May 27, 2010 – 7:30 am to 12:00 pm
BWI Hilton

This half-day event will focus on government contracting information technology with an emphasis on business opportunities in the Fort Meade region for small and minority businesses that are BRAC and Cyber Ready.

Federal officials from the National Security Agency, Defense Information Systems Agency, Defense Media Activity, DoD Adjudications and CyberCommand have been invited to discuss their missions and how to do business with their agencies. Top Fort Meade area prime contractors will discuss how to partner on potential bidding opportunities.

Seating will be limited. Invitations to follow.

Registration opens April 19.
